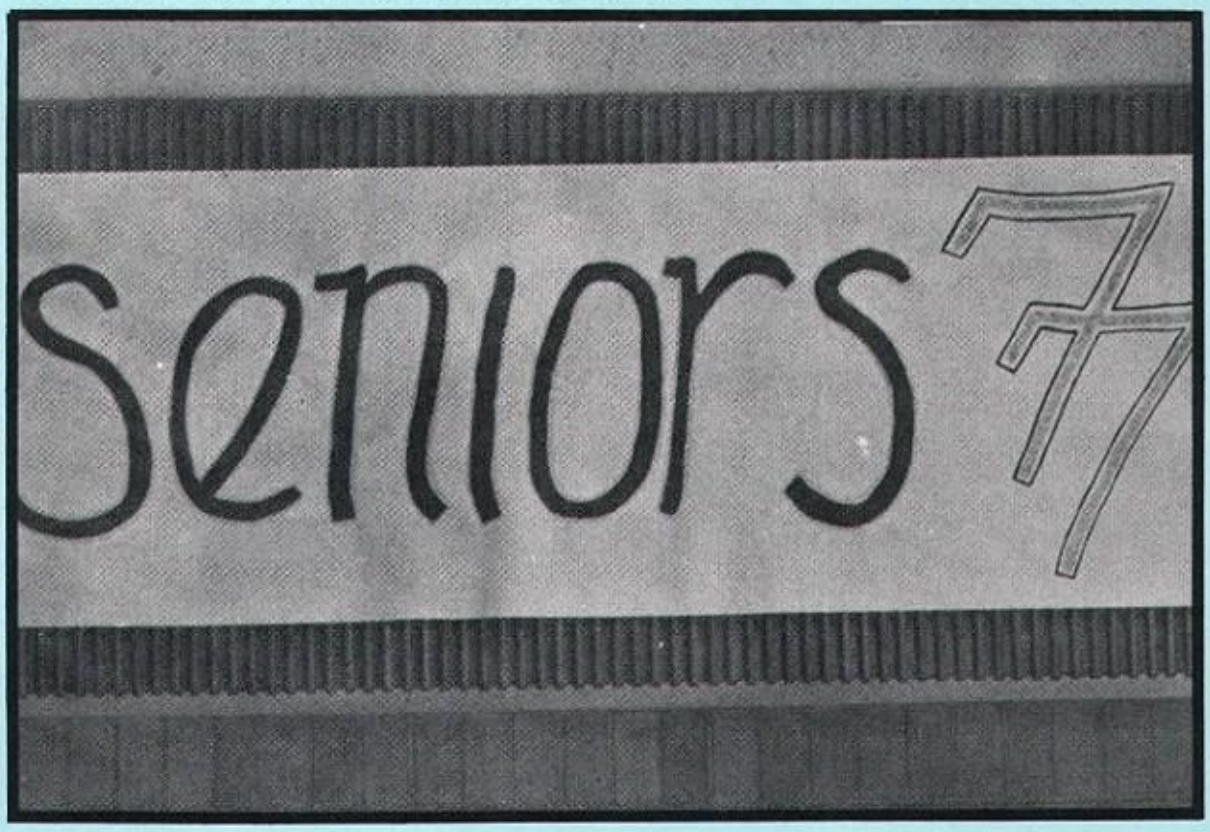
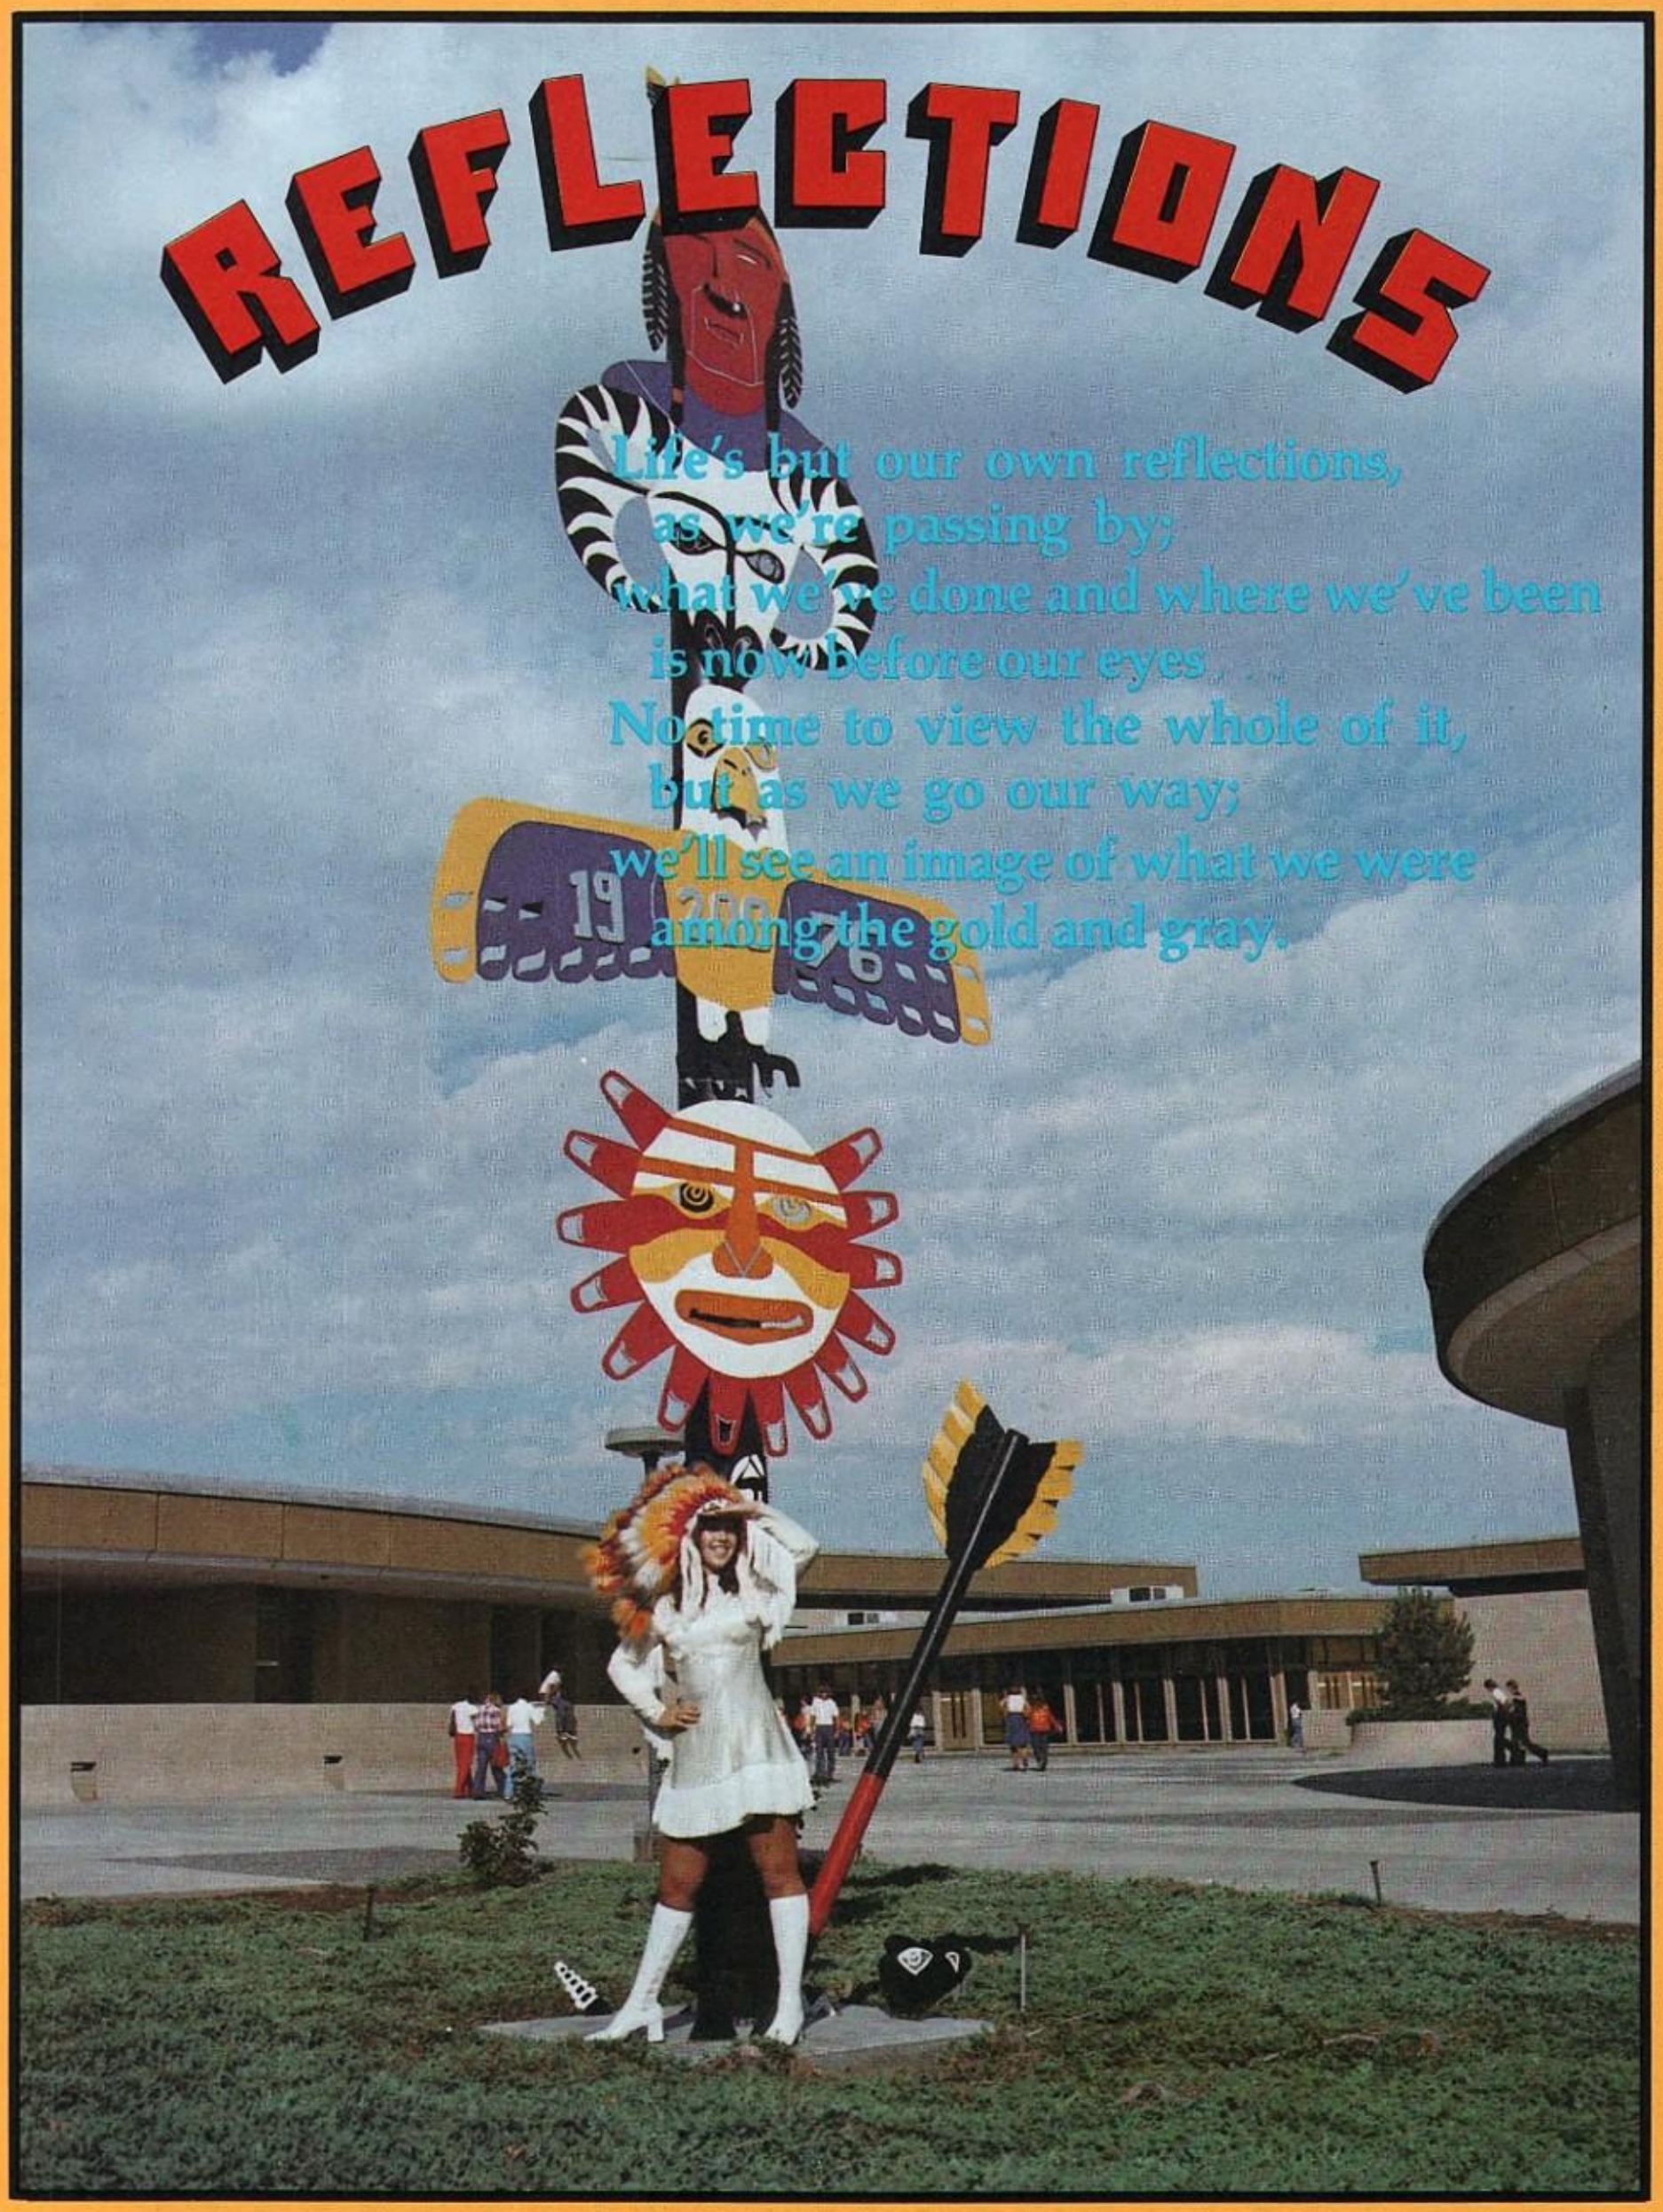
Totem 1977

We are the images
of our minds

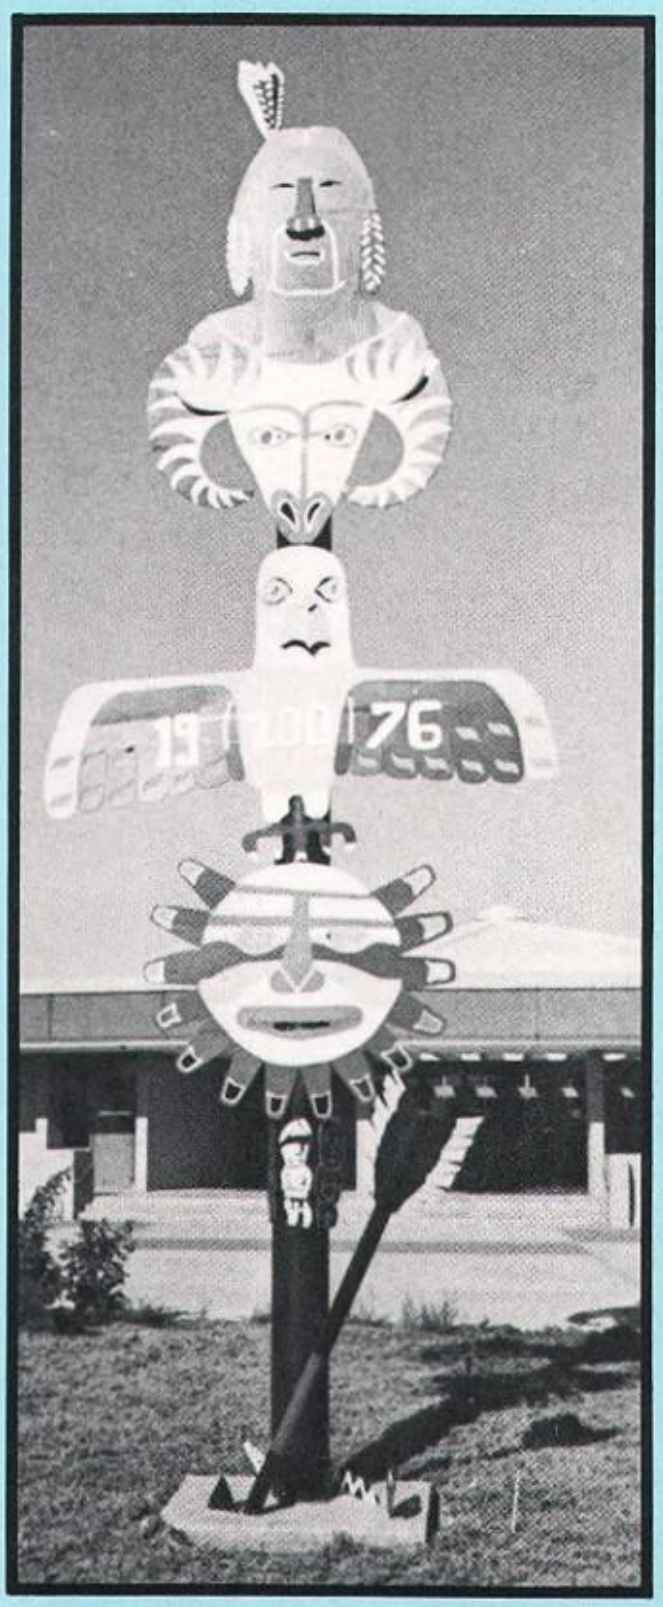
and . . .

the reflections
of our own times.





REFLECTIONS
Life's but our own reflections,
as we're passing by;
what we've done and where we've been
is now before our eyes.
No time to view the whole of it,
but as we go our way;
we'll see an image of what we were
among the gold and gray.

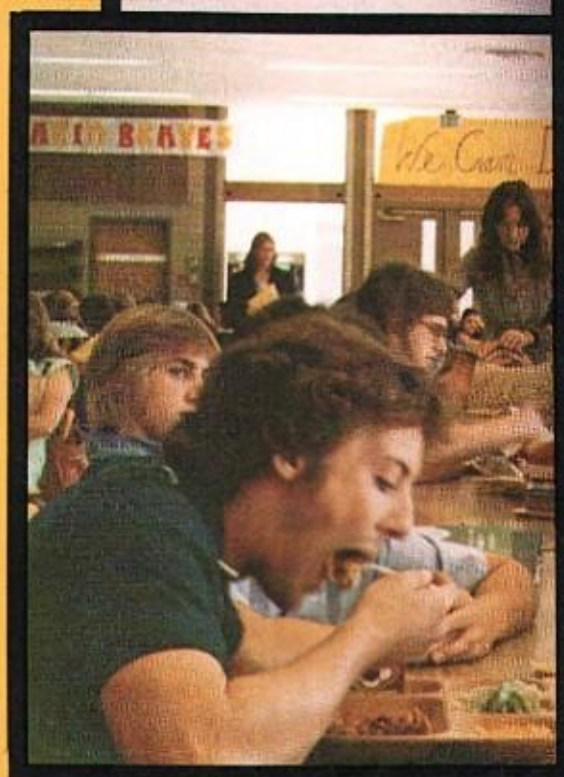


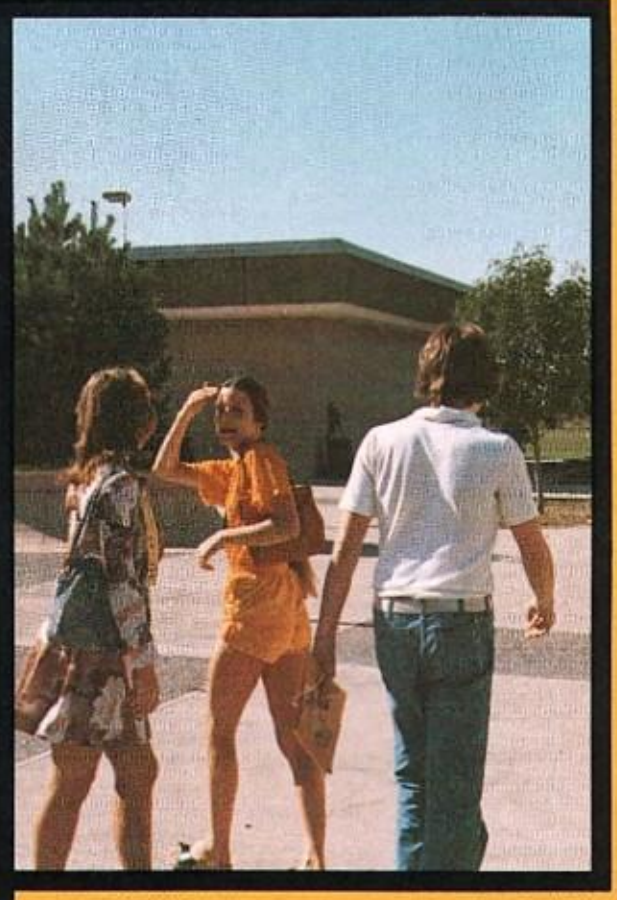
The writing on the
tapestry states all
there is to see.

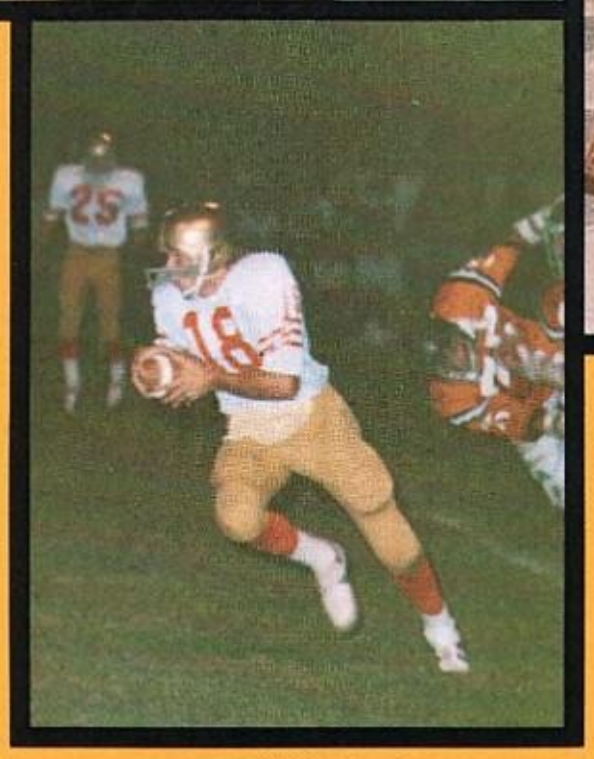
Yet, if it were ours to make
the change,
would we let it be?

We are in a hurry,

and—

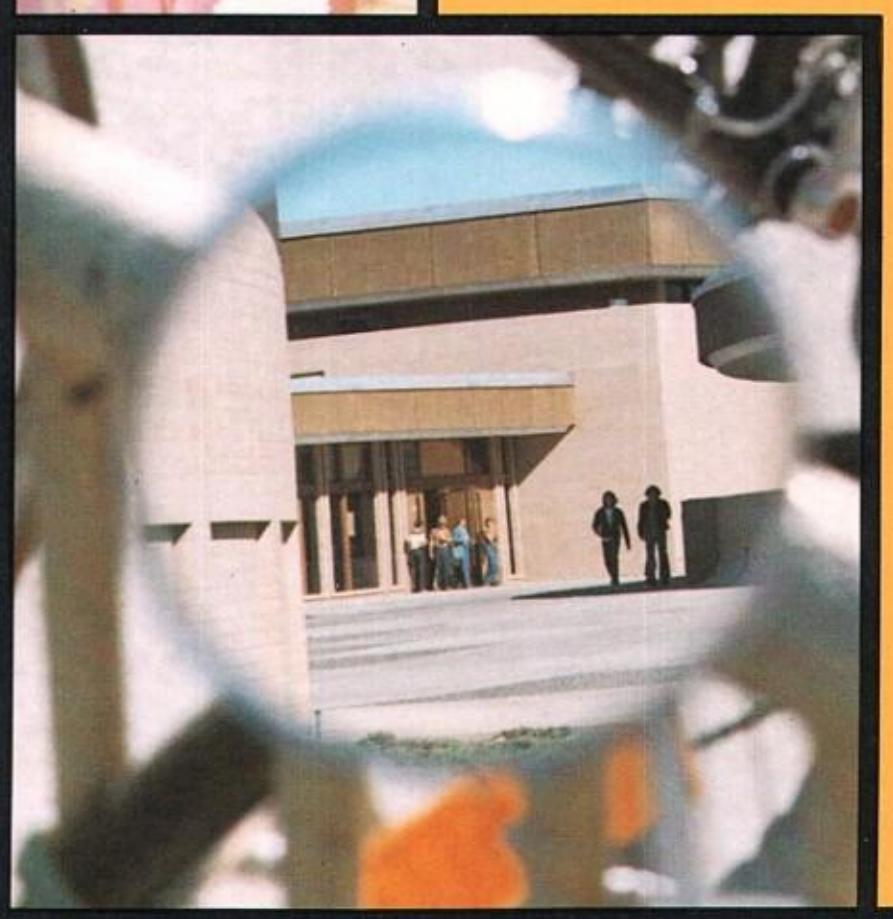




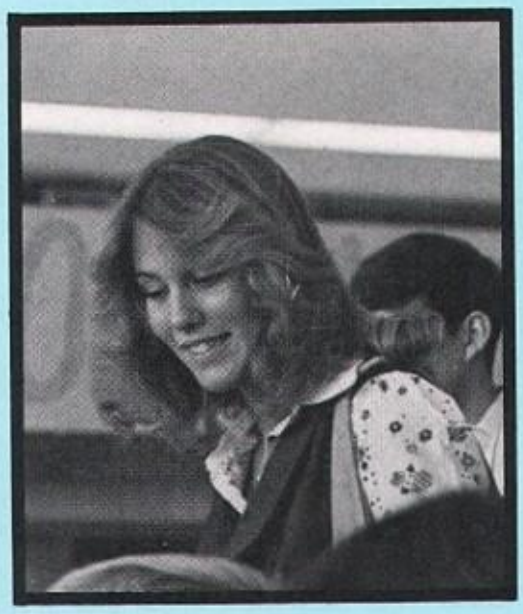


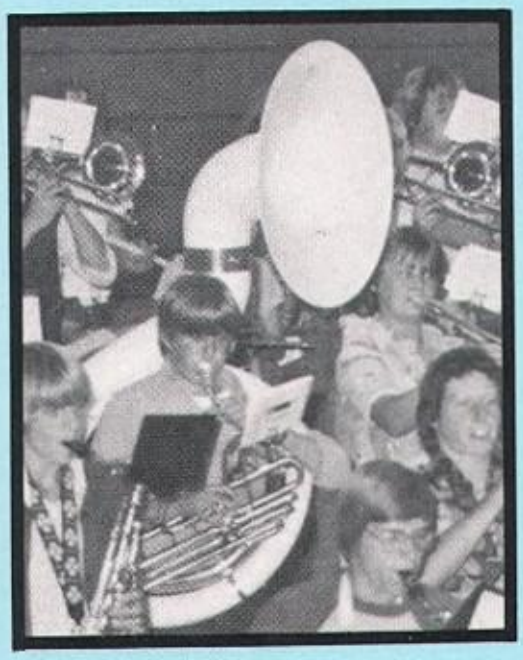
we have no time
to spare . . .

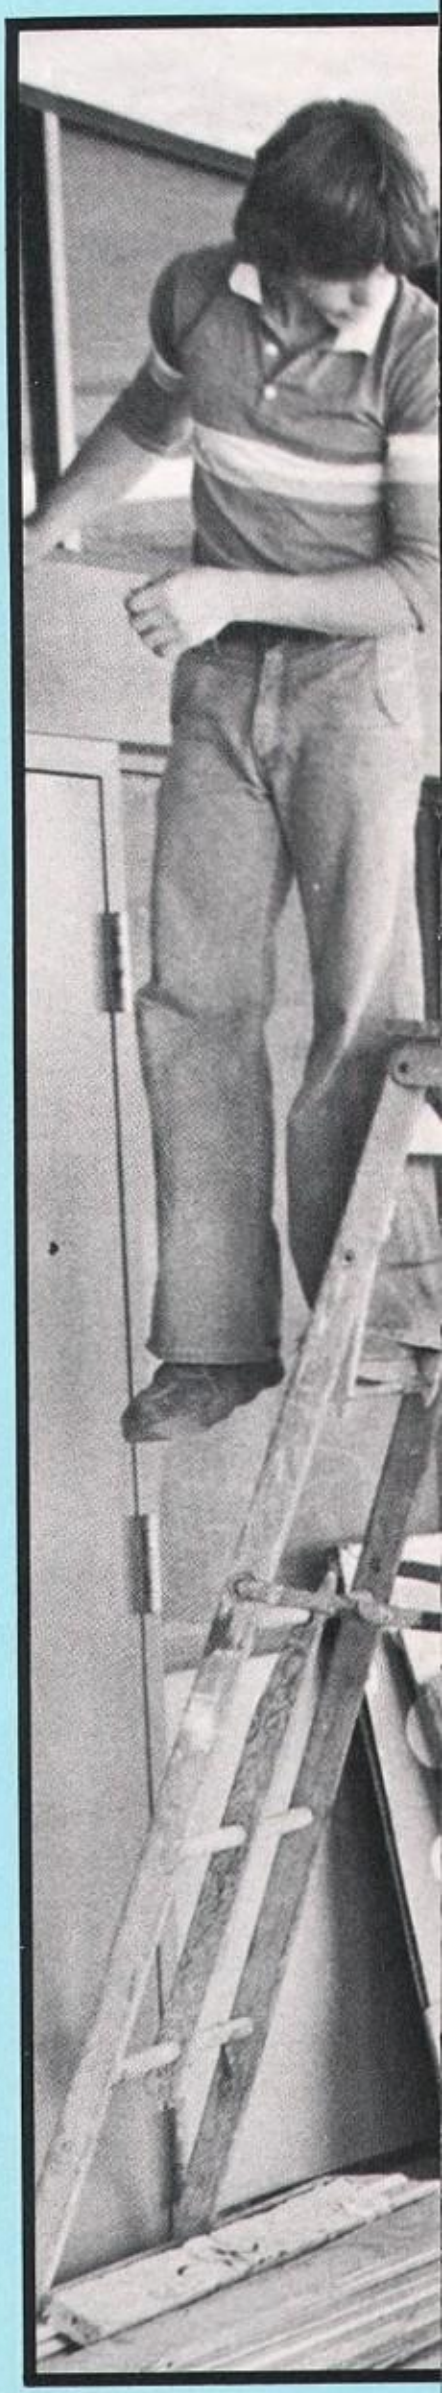
The moments begin to fade
away, bringing back
memories
of our passing days
. . . of lifting our hearts,
and drying our tears,
of planting hopes
instead of fear.



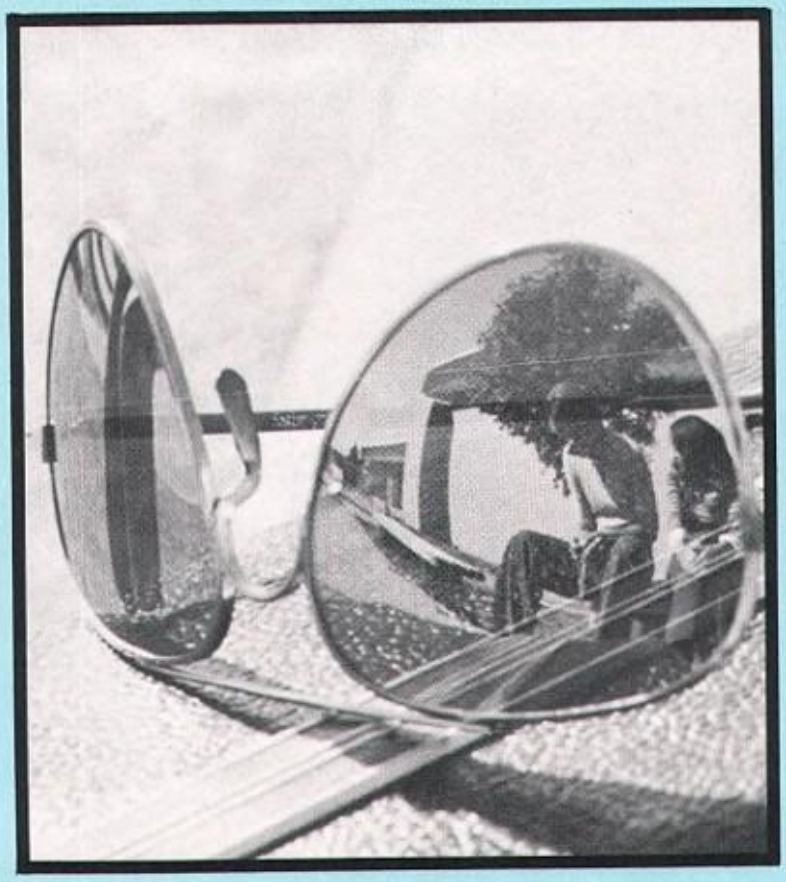
We always
look behind us

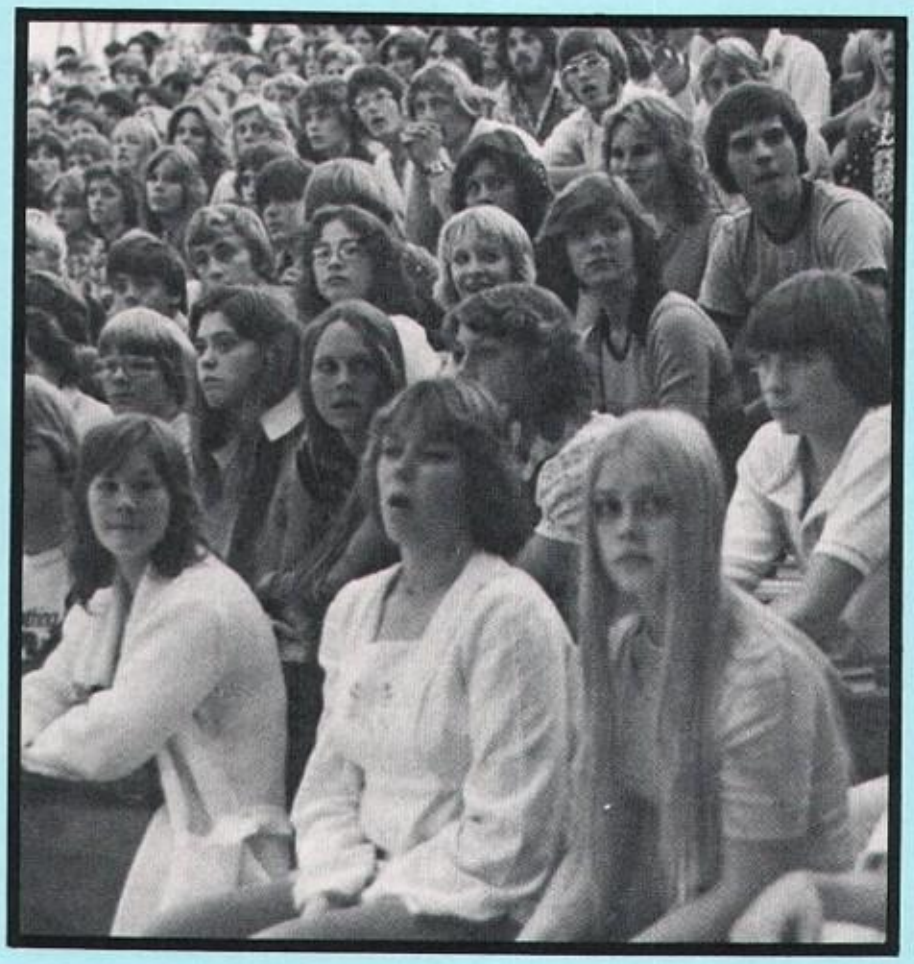






to those
vanished times
we've known . . .

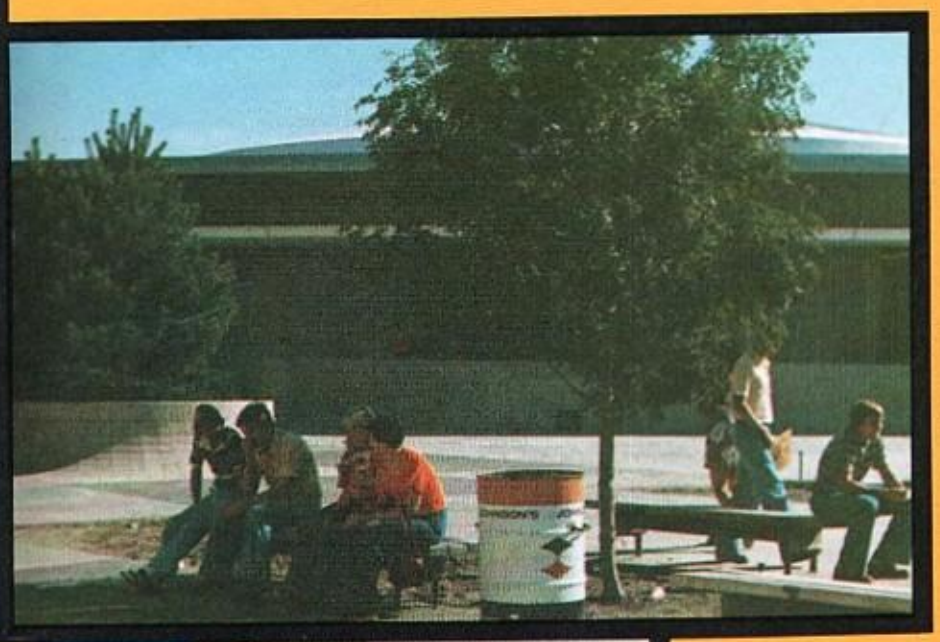




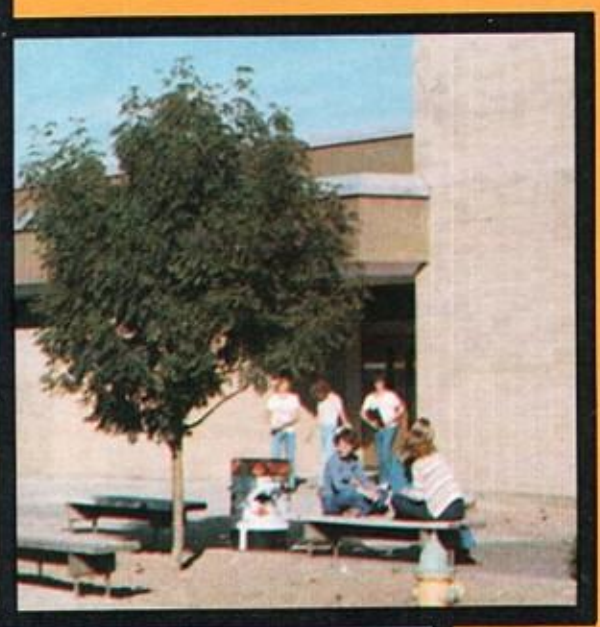
. . . times of restless schemes
and idle dreams;
of being what we call
"our own".

We are on the crest

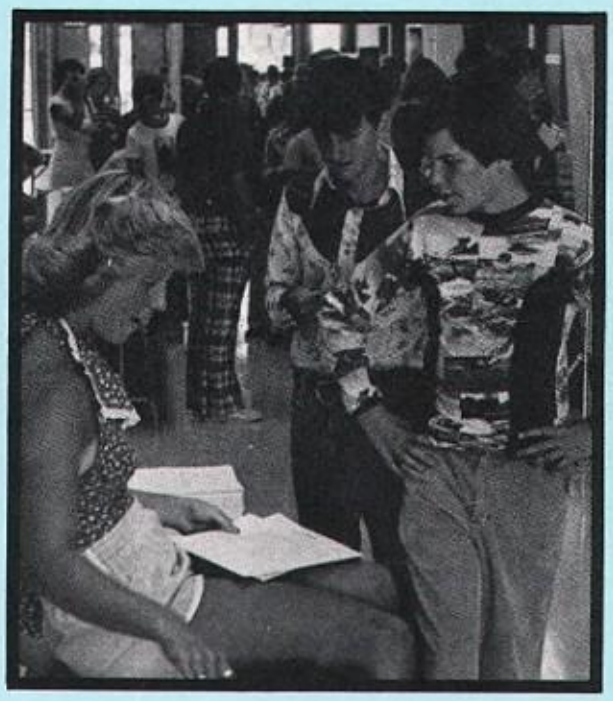
of a new tomorrow . . .

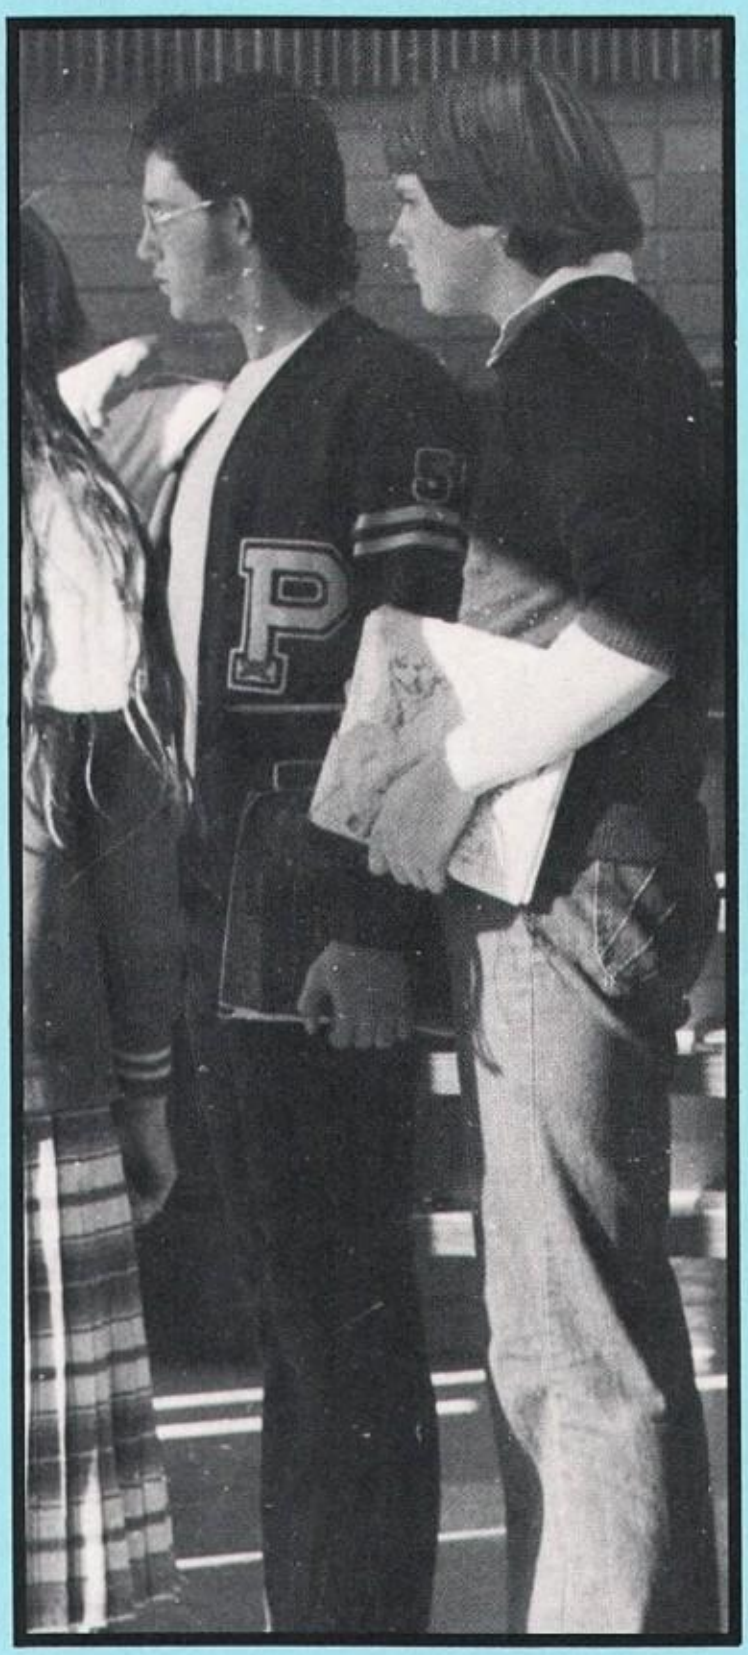


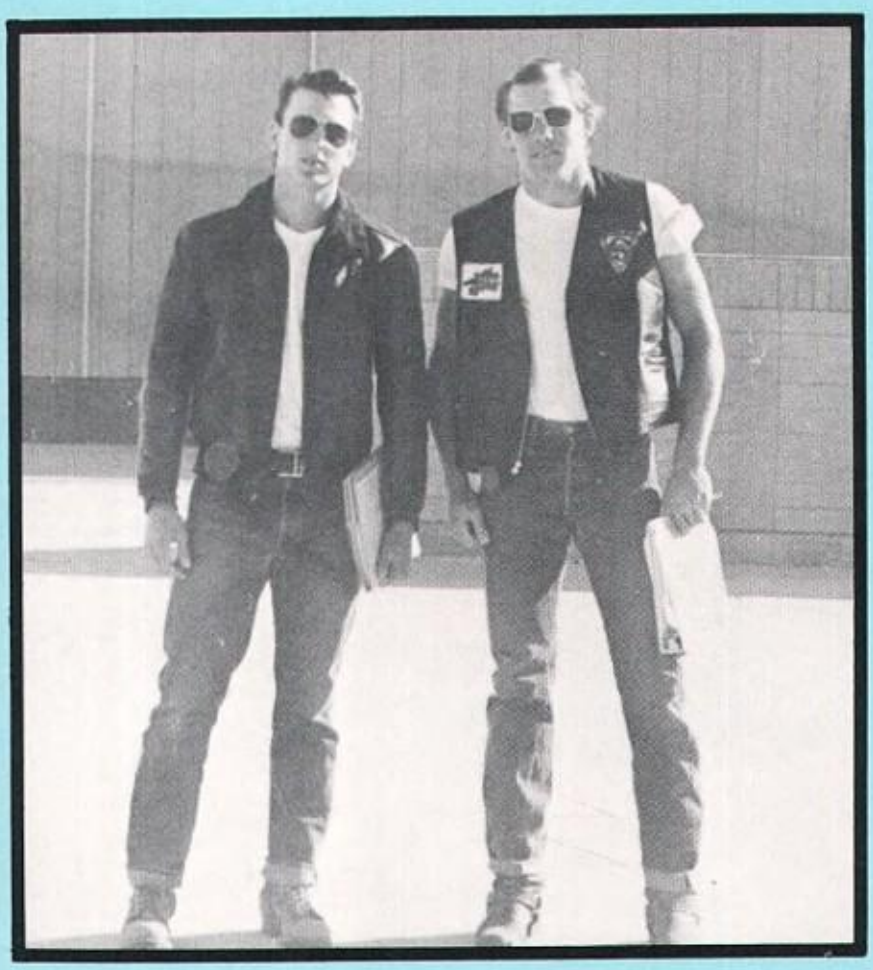
So today -
Embrace your past
with remembrance,
and your future
with understanding.



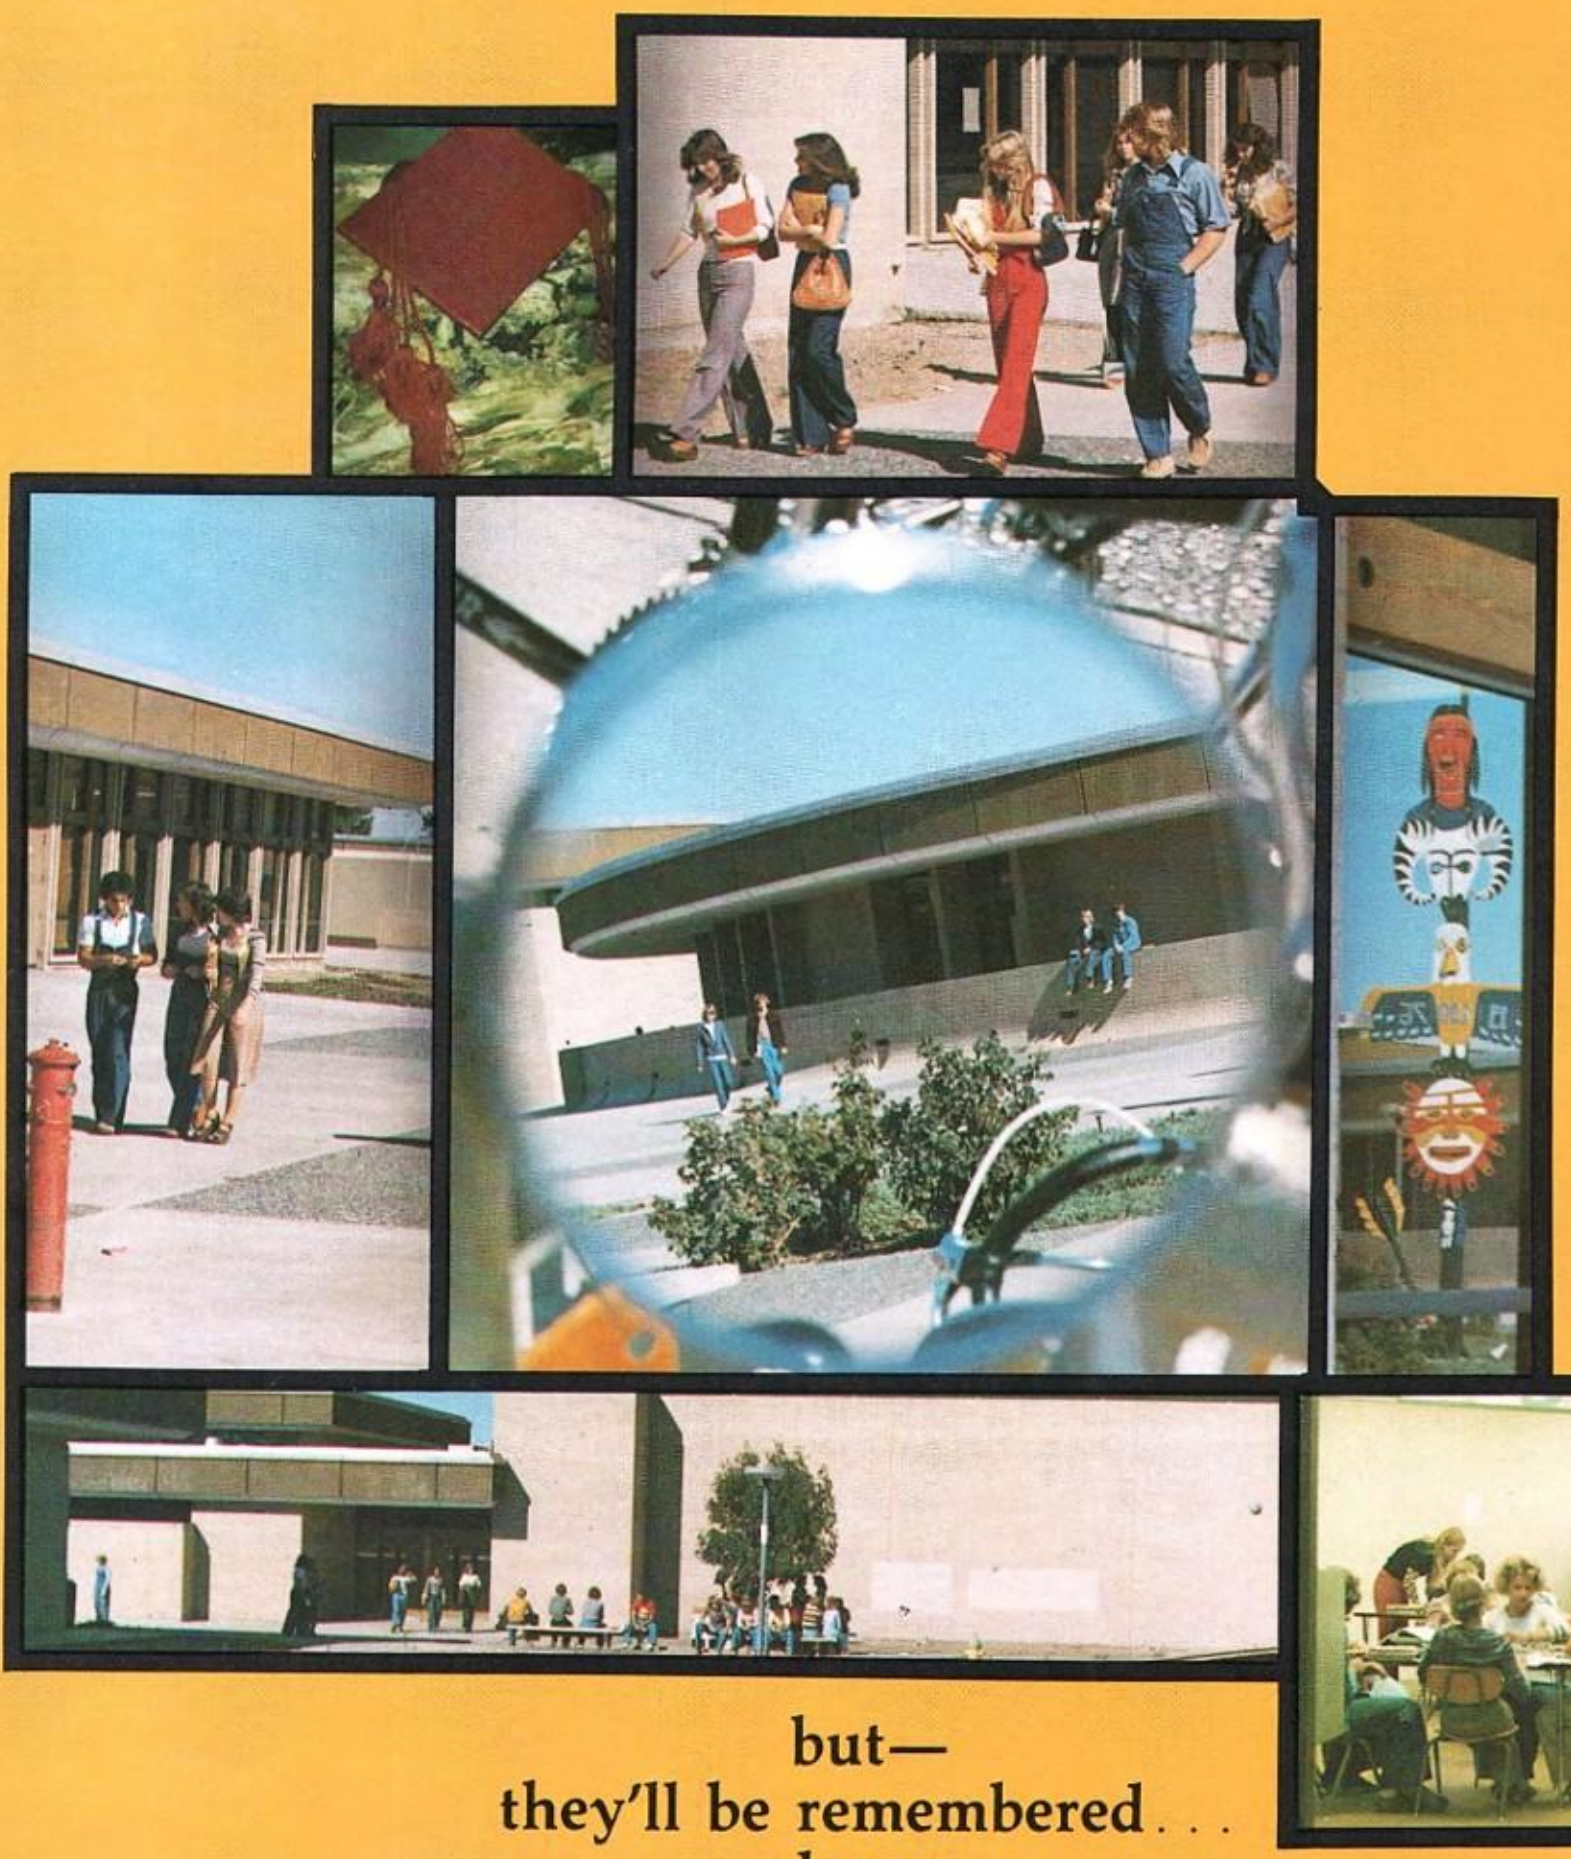
Everything beginning
is reflected
in it's ending.







These are the times
that have vanished,



but—
they'll be remembered . . .
always.

It isn't ever the same.
In time, I'll change.
And you.
And the currents of our lives.
But the image
of this moment
will never fade;
This moment, and you,
are unforgettable.

Times of our lives.

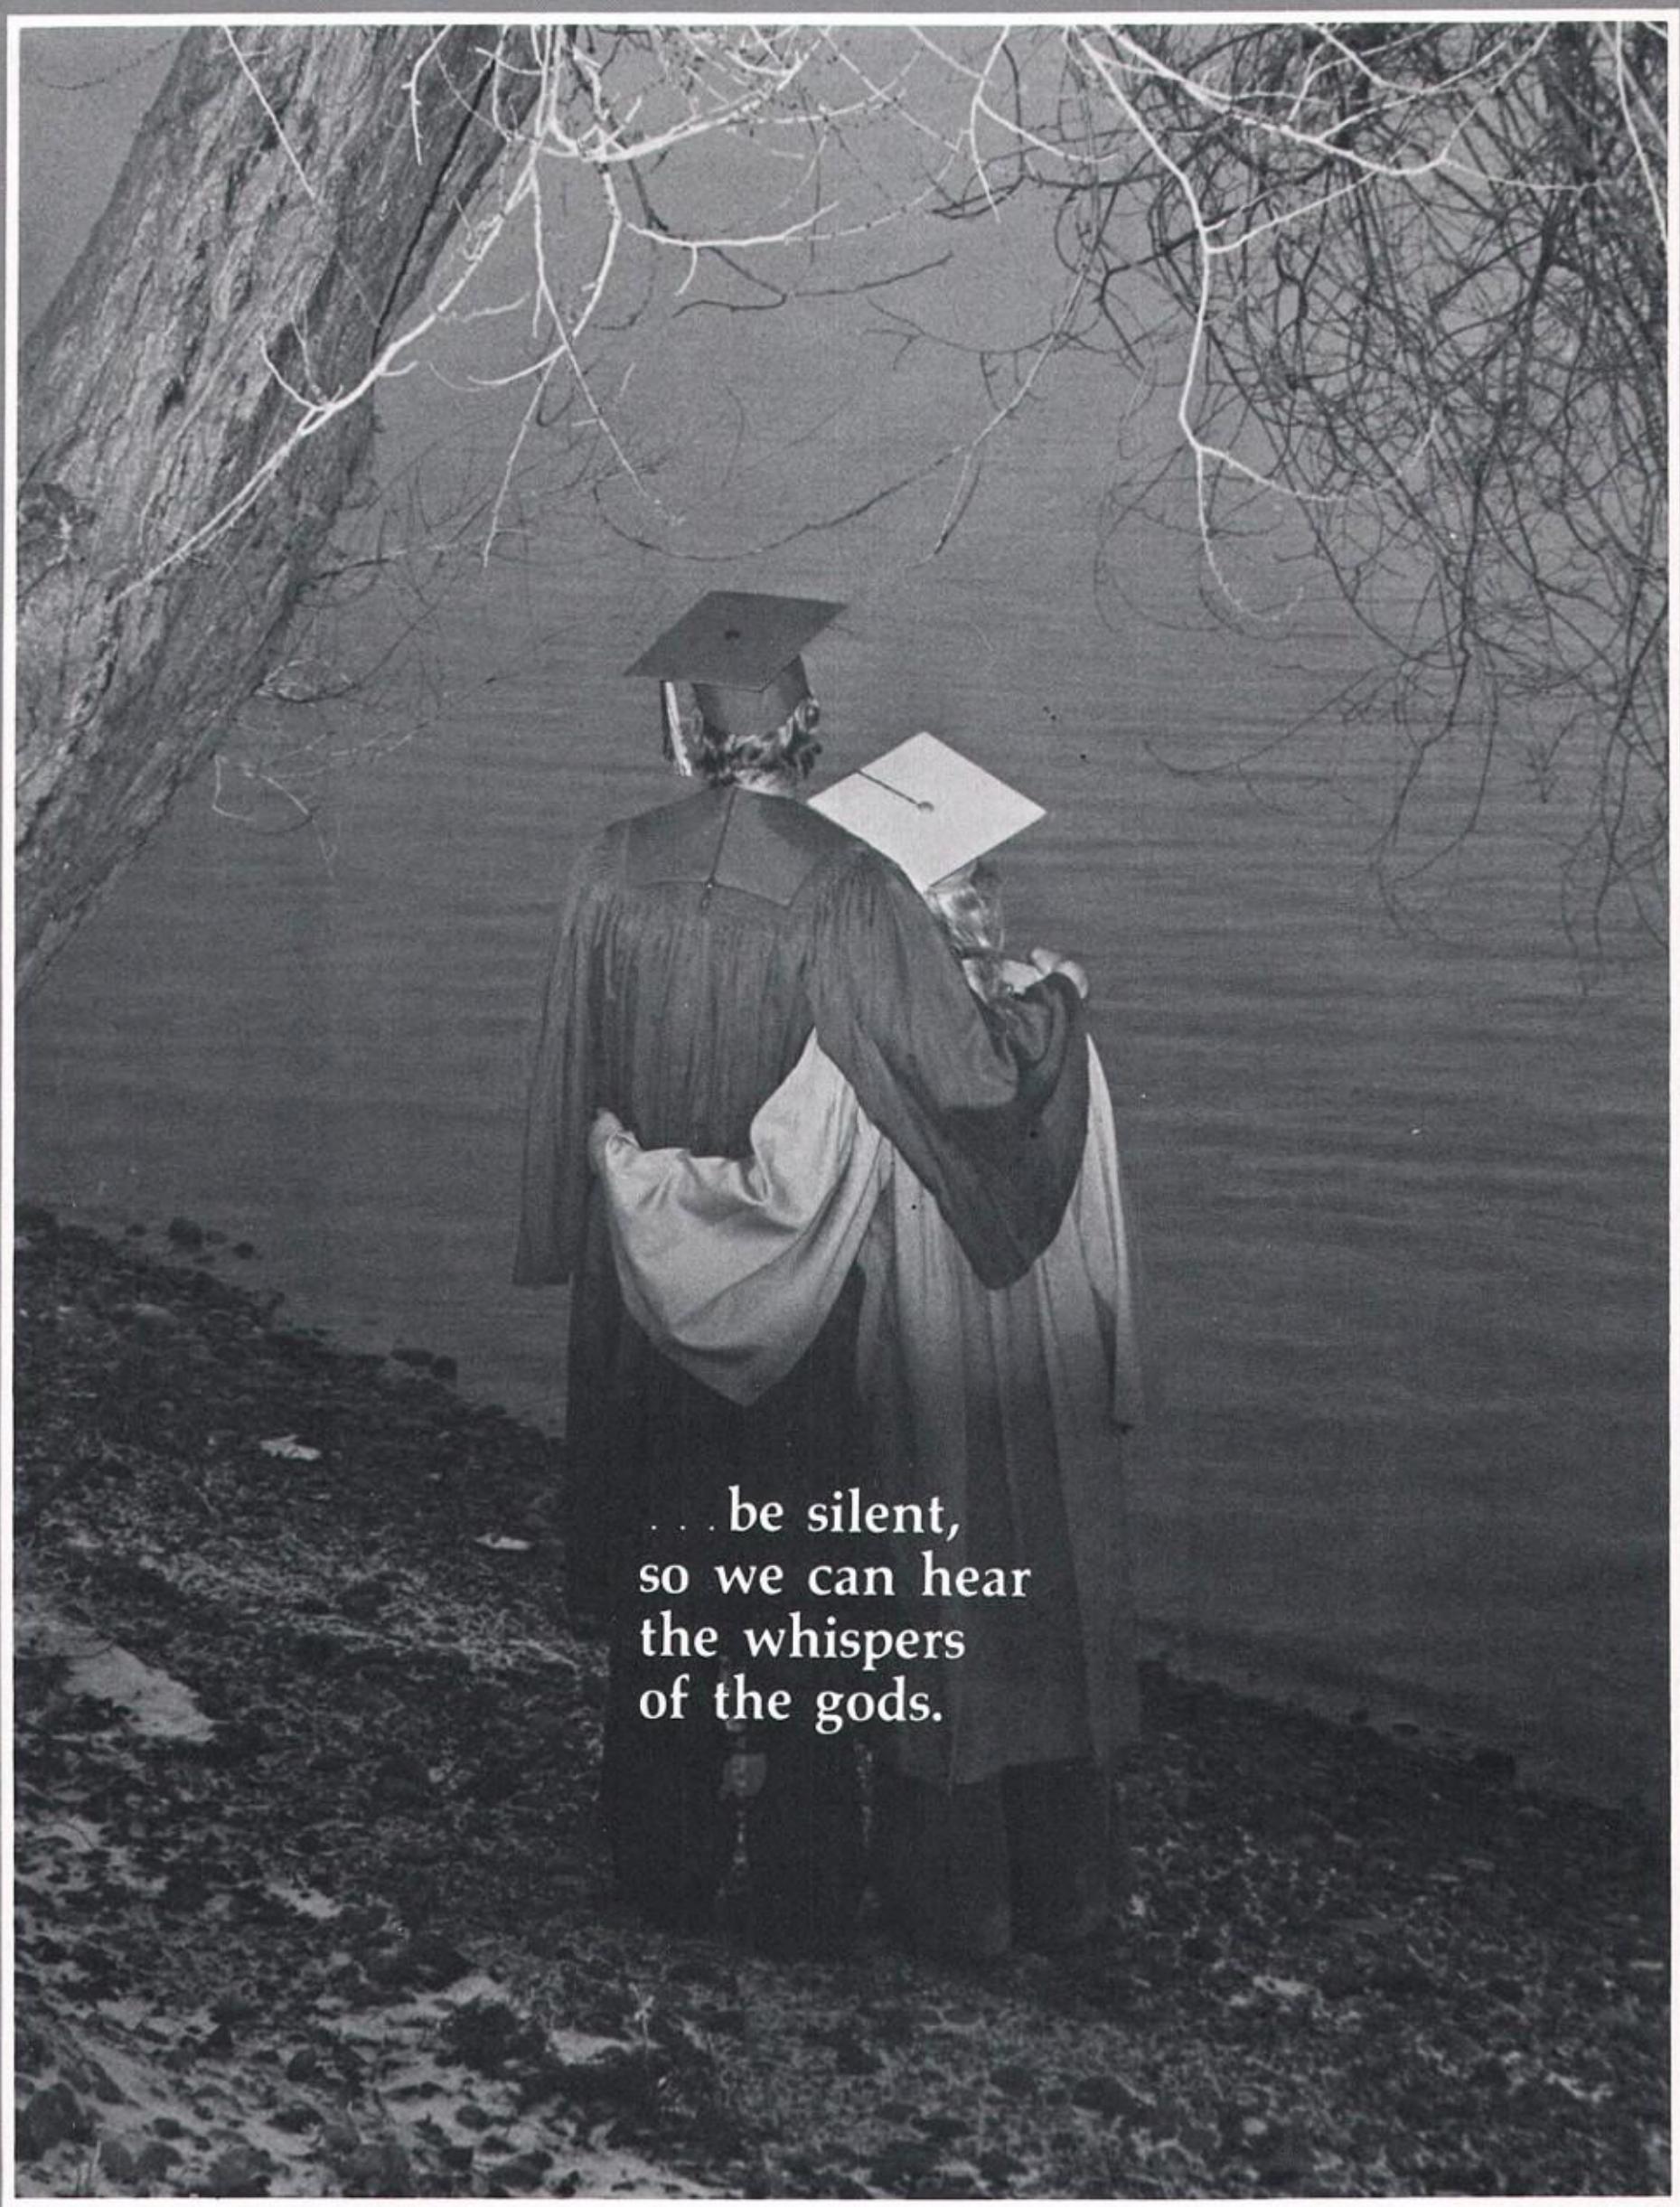
THE CLASS OF '77
PRESENTS
THEIR LAST WILL AND TESTIMENT

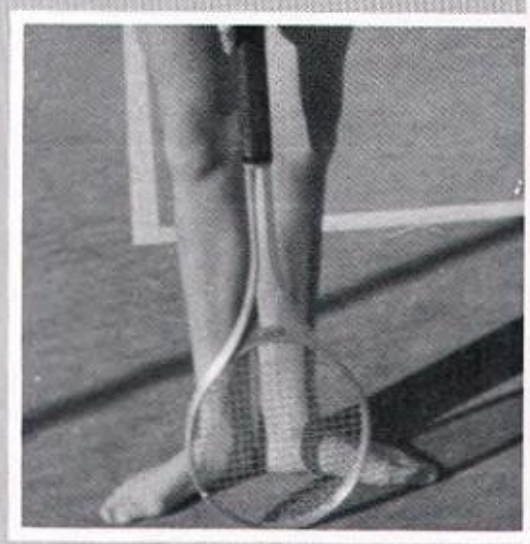
B. Babington leaves her note forging ability to her brother, Pete.
G. Barness leaves his motorcycle magazines to Gail Dolin.
E. Blanton wills Jacqui Fox and all her Freshman friends all the good times at Kamiakin (without getting caught).
S. Colvin wills all her chemistry knowledge to Peggy McMillin.
D. Cosby, being of sound mouth and fair body, wills her Spanish cards to Gabreal Maltos.
C. Crow leaves her guts to anyone willing to stand up to Fliescher (and take the consequences).
D. Door leaves her quiet, and serene personality to Vicky Taylor.
S. Drake wills her "Ragwoman" personality and her ability to gripe and complain to two well deserving sophs, M. Kelley and B. Crandal.
S. Gallagher leaves her starting position on the girls basketball team to her brother, Tom.
S. Grazzine and C. Pepiot leave their 1977 World Almanacs to Mr. Humphry.
J. Hamilton leaves her enticing high voice to haunt Todd Badley for his remaining years at Kamiakin.
A. Hickman leaves her "brownosing" ability on Mr. Rexus and Mr. Renberg to her little brother, Darrel.
K. Jackson wills her "B.P." skills to Bob Trout.
P. and T. Michaud leave KAHS yet another Michaud-Sue, and will our DECA accent to Timmy Renburg!
C. Pepiot leaves her drumming ability and skills to Owen Hacker.
Phyllis, Julie and April leave their singing and rythem talents of the "Beatlets" in communications class to Miss Tombari, or the Beatles, who ever claims it first!
T. Oliver leaves her ability to irritate sexy Rexy (Fred) to any DECA underclassman who feels they can handle it.
G. Witwer leaves Kamiakin her wit, except for her brother, Keith, who already has his share.

"THE HARMFUL FIVE" leave a good time in Spokane to next years Cheerleaders.
The Senior Girls Basketball players will their total heighth to Coach Walters.
The Senior Girls leave their lunch trays to Pedro.
The Senior Girls wish to will their end of the Senior table to next year's Freshman. Because we feel no one here qualifies.

Bobbi Klinner leaves her nickname "Boobie" to whomever can handle it.
Bruce (Bruth) Nitteberg leaves his dark room key and Mr. O'Brien to Phil Perrizo.
Monna Lyford leaves her heighth and good looks to Mr. Culwell.
On behalf of the senior class, we would like to will Dennis Pratt and Mike Reavis to any class who feel they can handle them.



. . . be silent,
so we can hear
the whispers
of the gods.



If I never try anything,
I never learn anything.
If I never take a risk,
I stay where I am.

Only 21 of the 62 second year German students were able to pose. Others were attending essential work. German students work hard, but play as well. We camp at Leavenworth or Lake Wallowa in the spring; ski in the Blue Mountains or Idaho in the winter and party year around. Germans, even students, suffer that famous longing. German students are creative, active and involved.

National Honor Society is an organization started in 1921 to commend students for high scholastic achievement. Since the Kamiakin Chapter of NHS was started 5 years ago, it has become a very non-active club. This year's Chapter has tried to change this tradition. Activities such as Word of the Week, a showcase and dance have been worked on to help the student body and to make NHS better known. Evaluating entrance requirements for NHS membership and school curriculum have been behind the scene activities. NHS '77 hopes that the new traditions started this year will continue with more outstanding students and activities in Kamiakins future.

SPRING PRODUCTION

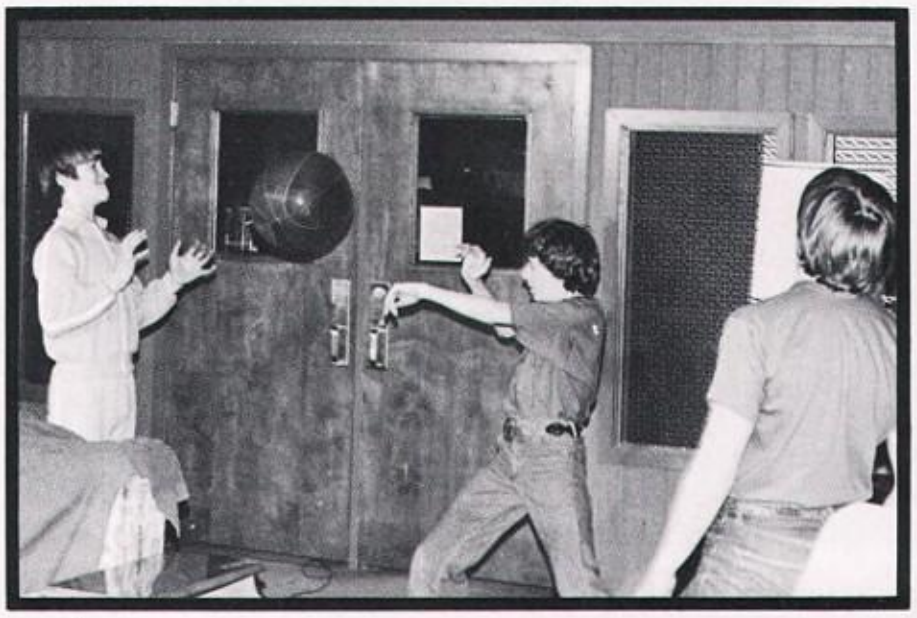
"THEY RUN IN OUR FAMILY"

Sam Pennywinner Coaches baseball and softball in the Summer; football in the Fall; basketball in the Winter; track, golf, and tennis in the Spring, then he starts the entire vicious circle over again.

So began the DRAMA clubs Winter Play. "THEY RAN IN OUR FAMILY" directed by Pat Thielman. The Pennywinner family runs-they jog, they do push-ups and the whole household is considered a veritable gymnasium. Life revolves around athletics because DAD coaches the Central High Frogs.

Friday night is the big game against the cross-town rivals. The Northview Nomads. Just because Coach Sams team has lost twenty-five straight games in no reason to doubt a victory in the big game.

From the evening paper, Buzz reads: "All is not gloom in the Frog camp. Coach says the Frogs have no way to jump but up." SEATED on the sofa - Pat (Gena Dingee), Buzz (Rick Boucher); STANDING - Peggy (Liz Hatfield), Spook (Marty Smith), and Alvin (Brian Young).



Working out with the medicine ball while training for Fridays's BIG game. Spook (Marty Smith), Alvin (Brian Young) and Buzz (Rick Boucher).

Pat, you can't be serious about this - this wrestling?" Agnes (Gail Witwer) and Pat (Gena Dingee).

THE FROG CREED -"...A quart of milk, some good fresh fruit; will help me fill my football suit." Alvin (Brian Young), Coach Sam (Dave Slagle) and Seymour (Carl Hatfield)

Agnes (Gail Witwer) sits and complains to her aunt Alice (Bernadette Lacost),

"His life is just one big long football game, and his responsibilities are a little matter that we take care of - at halftime.

Coach Sam (Dave Slagle), "We'll hamstring those Nomads!"

Josie, "LOOK MOMMIE!"

Principal Gilley (Nick Wagoner) and Alexander Smith (Ed Tinker) confer on the results of the football game.

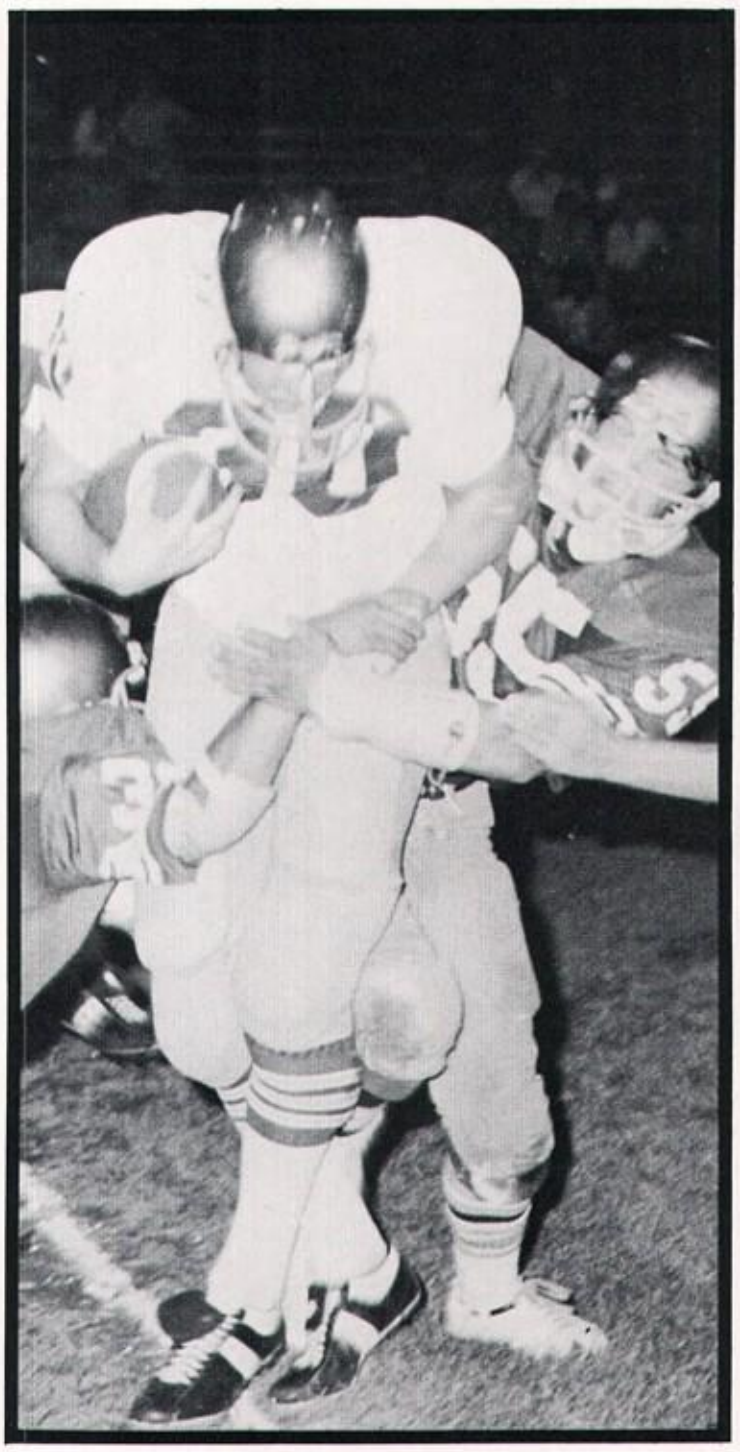
INSTANT REPLAY



In trying he gives his all -
putting a part of himself
on the stakes of a game...
playing with his hopes
as though a pawn
in the challenge of chess;
for the team,
for himself,
for a win.
It is over now,
and the sweat drips down,
like the sweet tears of victory
or the salt in the wound of defeat.

The 76-77 basketball season was one that could best be summarized with the term "youth". With only guard-Al Sherman returning to the Brave varsity, Kamiakin was clearly short of leadership and experience.

For the first time in Kamiakin's history, a pair of Sophomores were in the starting lineup-Mike Borsheim and Steve White-showing potential and gaining experience. Junior forwards-Chris Fazendin and Lee Adams also exhibited constant improvement as the season progressed. Juniors Ty Haberling and Ken Bettinson along with a Senior Dennis Cassens were in and out of the starting lineups throughout our season.

We forgot to win the close ones but the support was terrific and our fans did not fail us. THANKS!

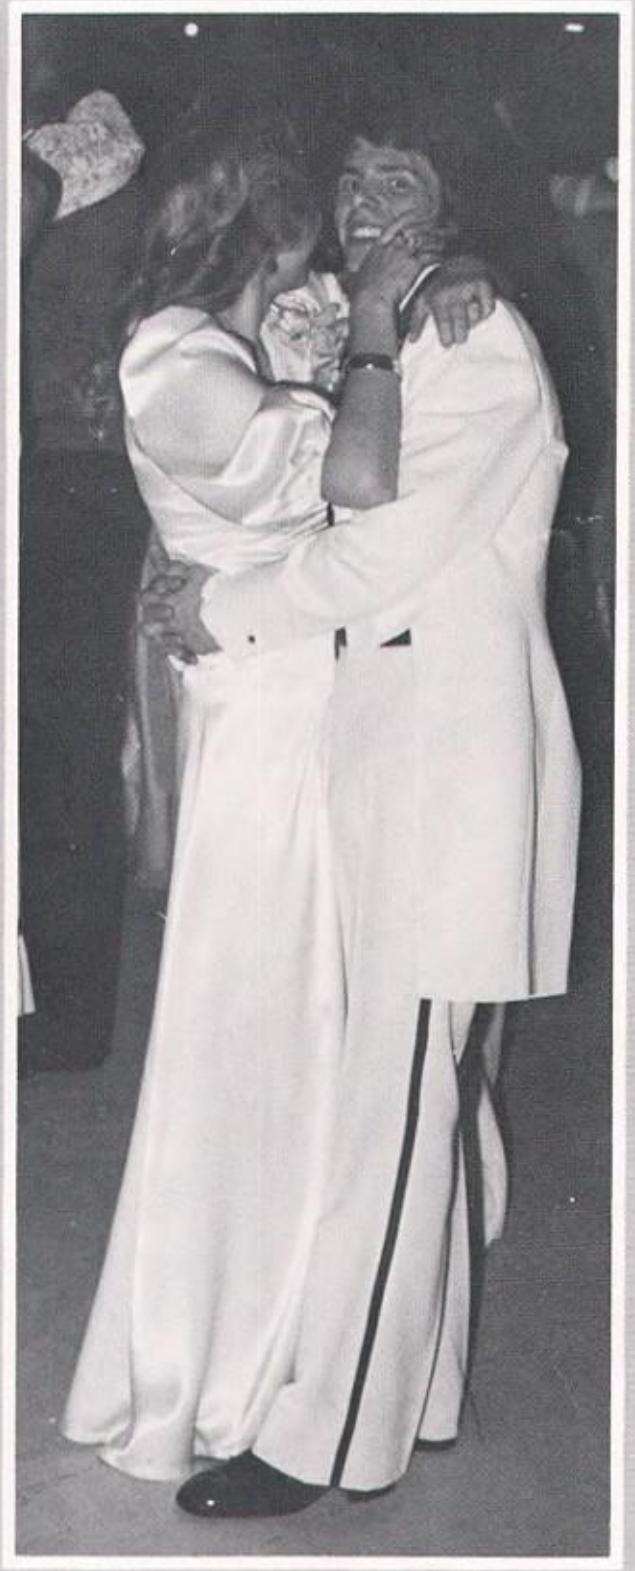
Life is full of memories
as time rolls on its way.
And this moment shall become
a memory, too, someday.

You know, I've been happy
lately thinking about things to
come.



Our happiness is real...
adding and multiplying
as we divide it
with those that become
a part of us.

The 1977 Totem
is dedicated
to our beloved friend
Janet Simmelink

FOR JANET

Remembering her soft blonde hair,
Her glowing smile, the scent she'd wear,

Remembering her teasing ways,
The laughs and fun of happy days,

Remembering the cruising nights,
The waste of gas to see the sights,

Remembering her room, her car,
These things so close, but yet so far,

Remembering her gentle touch,
Her being here would mean so much.

We tell ourselves, "It can't be real.",
We cry until we cannot feel.

We've seen it written, and heard it said,
Still can't believe that she is dead...

Without her here, it's just not right,
It's just a dream, just for tonight.

We pinch ourselves, we are awake,
It's not a dream, it's not a fake.

She is gone, and this is true,
Can't help wondering what to do.

Remembering the way we were,
Part of us is gone with her.

Words can't say all that we feel,
For such a thing is so unreal.

With these words, we say this too,
"We miss you," Janet,
"and we love you."
With all our love,
from your friends

We have two ends
With a common link.
With one we sit
With one we think.
Success depends
On what we use:
Heads we win,
Tails we lose.
